Latina girls are always hungry for sex, especially when they have 36C all-natural breasts like pretty Pepper Foxxx. But sometimes Latina girls can get a bit jealous. "I know you've been cheating!" Pepper screams at Tony. "Take off your pants and let me smell your dick right now!" Tony complies and Pepper drops to her knees. Whatever Tony's cock smells like, it must make Pepper hungry because she gobbles it down and starts playing with pussy. This gives Tony time to wipe the residue of side pussy off his chin. Eatin' ain't cheatin'!

I was once a homebody but after I divorced my husband, I rediscovered myself. Now I'm a bit of a party girl and find myself clubbing every weekend. I'm loving my new found freedom and rediscovering my sexuality. I have even started seeing women and that is quite fun. The old me thought loving a woman was a big taboo. The new me thinks it's big excitement. If you've never tried it, do it. It's great!

INTIMATE THOUGHTS AND XXX ADVICE

We're very fortunate to have these musing on superstar Sunny Leone. We use the term 'superstar' with no hesitation as she has made her mark in adult entertainment, mainstream media, Bollywood, and as a loving wife. In her case, these all work in a fusion of East meets West and cohabitating together.

It's been a while since we've seen you.

Too long a while. I'm glad to be back.

Are you as busy now as you were a few years ago, even last year?

Yes I am. I like to keep myself busy because I'm a pretty high energy person.

Where's all that energy going?

My gosh, I'm going to have to collect my thought for that one. Well, I've been traveling a lot. Across the US for appearances, to Canada to see my folks, and several trips to India to continue with my Bollywood career. And of course my home life is busy, too.

Do you find time to rest?

Every once in a while I'll lay back doing nothing.

For our newer readers, why did you decide to get into adult entertainment?

It wasn't a conscientious decision. I went out to L.A. and then one thing led to another and I did some photos. Penthouse saw them and next thing I know I was a Penthouse Pet of the Month and a few years later I was Pet of the Year.

How was that relationship?

At the time it was hectic. I was never in a situation like that and not used to all the attention, and the demands, but I survived. As Pet of the Year, everything leveled up. It was constant appearances, photo shoots, rubbing elbows and many a long night, but above all, I loved my interplay with my fans.

But you moved on.

Yes, I started doing more adult gigs and that kept me busy for a few years, I enjoyed most of that, but there a couple times I thought I should get out.

When did you know that was inevitable?

When you're in the moment, you obviously don't think that way. But the grind was getting to me, as it would anyone. I guess it happened over a few months until I was good with it.

Can you describe yourself as a person?

Wow, that's a tough one, like 'What is the meaning of life.' I can be tender when I want to be, and tough when I have to be. That's about it.

Before you got married, did doing adult stuff affect your relationships?

I had guy friends and girl friends, but I tried not to have anything really serious. There were a couple relationships that lasted for a short while, though. Nothing really serious right now.

Would you like to talk about your movies?

Not really. There is stuff on me all over the place and it pretty much speaks for itself.

What kind of things did you like doing?

All kinds. girl-girl, threeways were always cool. Believe it or not, my favorites were solo masturbation scenes. Just me and my fingers, or with a toy. Fun!

Did you always come during a scene?

Usually, yes. What is the point of being in this business if you couldn't get off. When I did a solo scene, I always got off and more than one many times. It's easier that way.

May I ask you to think back to your first 'porn' scene? One where you had to perform for the camera.

Fortunately, I did a bit of still work nude and made a few videos while at Penthouse. Deciding to do something harder took a lot of soul searching, partly because of how I was brought up. I knew how well the camera would shoot me so I wasn't nervous about that, but the guy I was supposed to work with couldn't keep it up. I was horny already and I was to pissed off to be nervous anymore.

How did the rest of the day go?

The next guy had the biggest dick I've ever seen and I got wet just looking at it. Nothing that big in real life for me so it was a little intimidating, but we did a little foreplay and I got horny had to jump on.

I assume you were on top. Is that your favorite position?

I like to fuck, so all positions are okay with me. I've done it sitting, standing, on all fours and even just on my back. (chuckles)

Some women say that's the best way to fuck a really big dick. Do you prefer big dicks?

I can't say that I prefer them, all sorts of problems and adjustments a women has to make. But I used to think that the bigger the cock, the better the guy could fuck, but that was naïve of me. It's all in how you use it. Now, a nice normal sized cock is my

preference, so much more you can do with it.

Does posing nude turn you on?

Well, if you've ever done it before, it's a pretty sterile environment. Lights, cameras, someone barking out orders, changing position when asked. I love showing off my body naked, and every once in a while I would get excited.

How about having people watch you fuck?

If you mean during a shoot, like the crew? I guess so. In that environment, you have no choice so you have to get used to it. If you want a paycheck, then you learn to like it.

What was your wildest experience making a porn flick?

To the uninitiated, just making a porn flick is a wild experience! The best was traveling to exotic locations or making videos in mansions, stuff like that. The sex was pretty much the same.

Do you do anything on camera that you wouldn't do in your private life?

No. It's almost like a reality show, you know. I do pretty much all of that stuff.

So... threeways?

Sure, they're fun.

Did you do double penetrations?

I did early on because I thought I had to, and the pay was better. But I stopped.

Some women who've been interviewed said they couldn't find two men who'd fuck so close together like that.

There was a time I 'taught' two guys who were pretty new to the business and the director asked me to guide them a bit. They didn't mind being naked in front of each other. Like, they knew they were straight, but they were kind of slow getting into it. They kept asking me if I was okay with it, and I had to shut them both up.

When you did a threeway with another girl and guy, do you and the girl dominate the lucky guy?

Not really, but we call the shots. The guy spends a lot of time on his back and we'd ride his face and his dick. When he comes, he watches the girl and I get it on and actually that gets him hard again and the girl and I switch places.

What about three ways with two other girls?

Well, damn! Of course I've done that. We ladies get together and strip and the come just doesn't stop flowing. This is actually my favorite type of three-way. There is less pressure to get the girls to cum because we know how to please ourselves and it's easy to please each other. Plus there's something nice about a pussy in your face .

You've slowed down in adult but geared up in Bollywood. How has that been?

It's really a great experience. I have always liked Indian culture and now that I'm old enough to appreciate it in their movies, I find it refreshing. I feel privileged to be accepted and become a part of it.

Wasn't your first major film there an adult film?

I wouldn't really call it an adult film as we define it. For India it was pretty risqué and so the censors chopped it up a bit. But it still did pretty well and admittedly, it was quite an experience. I anticipate doing more.

We wish you the most luck and thank you.

Thank you. I'm glad I could be in your imagination!

A woman with dark hair is lying on her side on a dark, tufted couch. She is wearing a dark, possibly black, dress or top. Her legs are extended and slightly bent, and she is wearing black high-heeled sandals. The couch has a diamond-shaped tufting pattern with small, light-colored buttons. The background is a dark, textured surface, possibly a wall or a curtain.

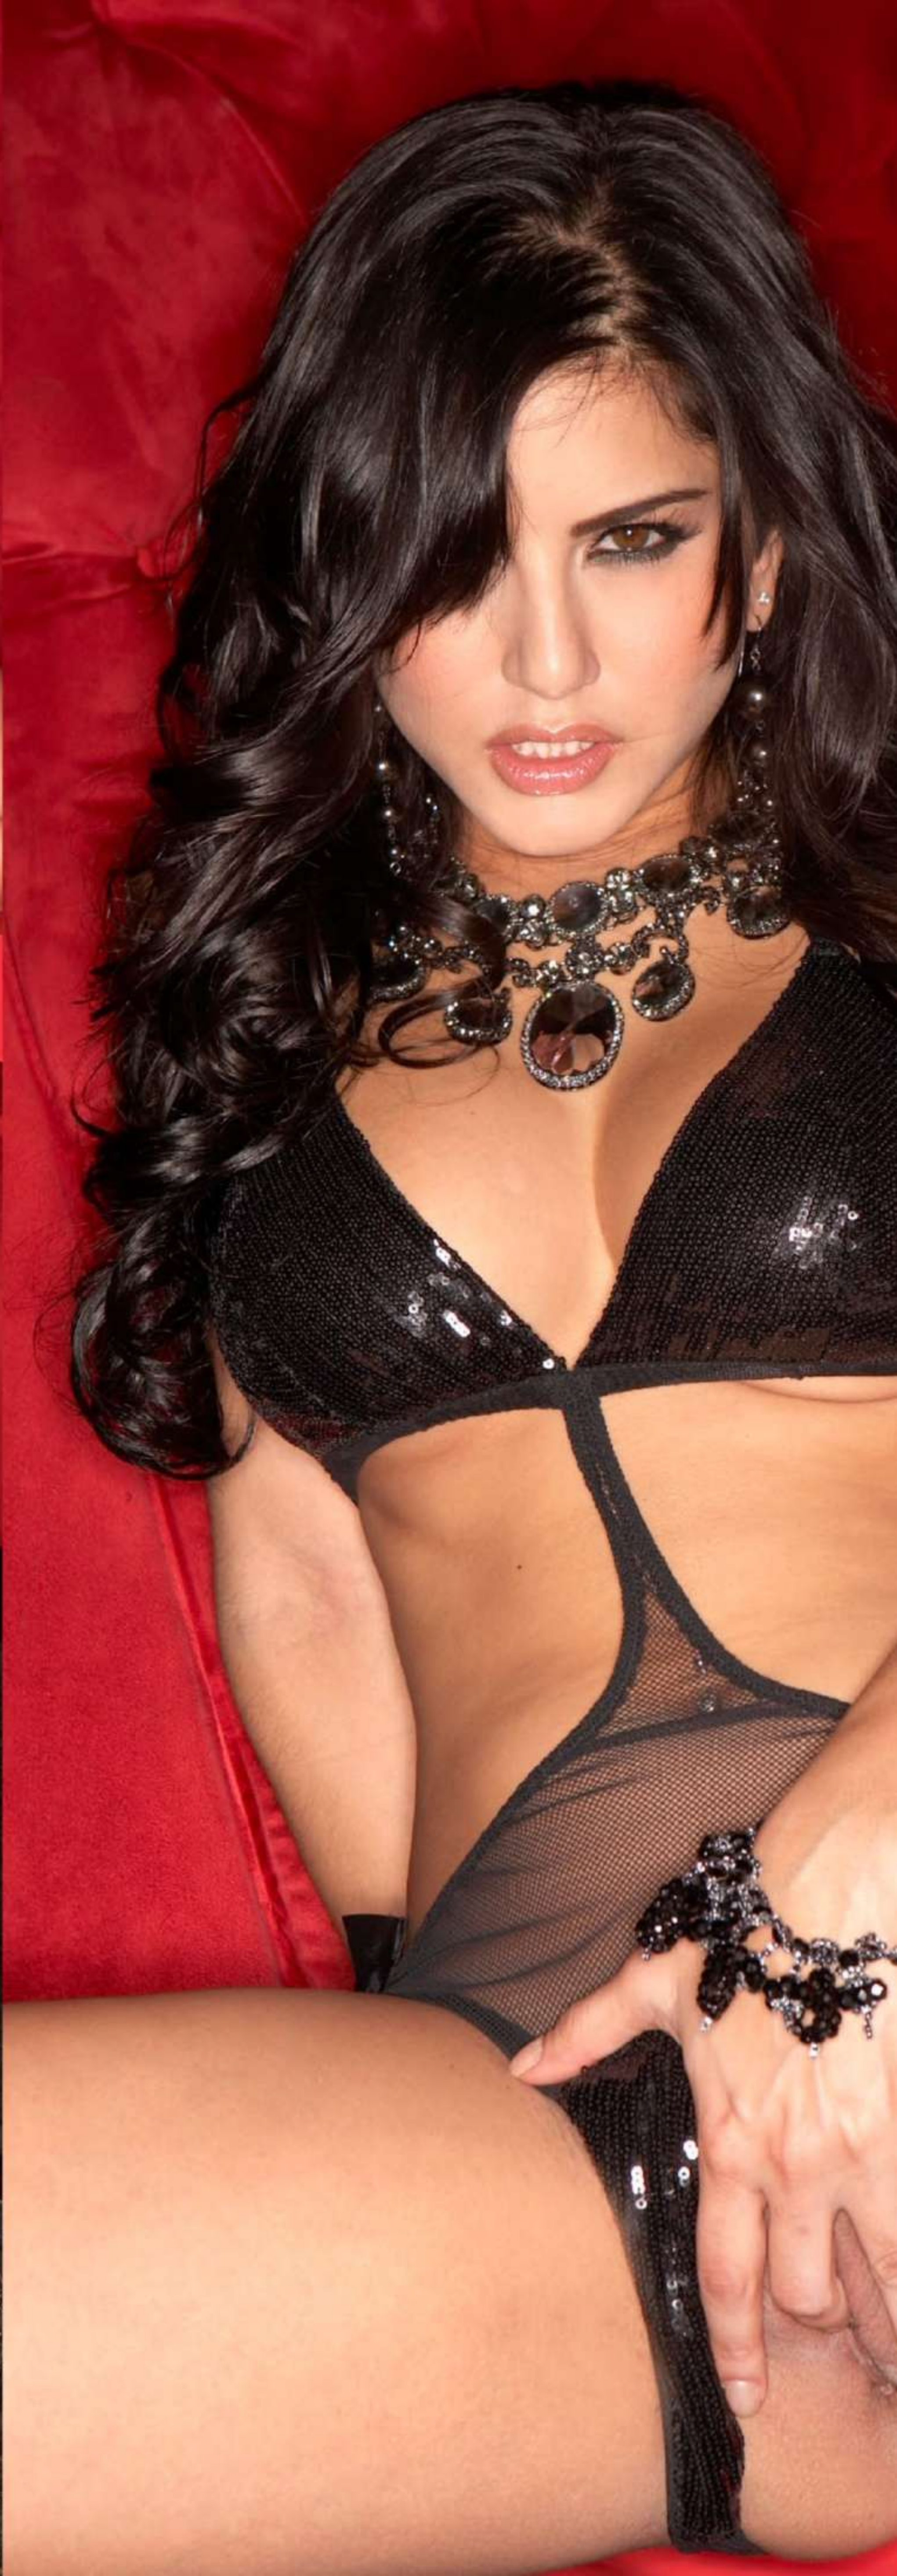

She's going to get all spruced up in her vinyl and mesh and look her adorable best. For starters, look at her amazing body and her gorgeously firm breasts and pert nipples. There's also her slightly naughty demeanor that always hides until the right moment. Sunny tries to play quiet and shy but is quite the unshy type. She loves to be herself and whatever that is, it's really hot and sexy. Agree?

ALICIA TEASE

Before I did movies, I was kinda shy about sex in general. But there was one time I was going at it with my boyfriend at the time in the basement of his fraternity house. I was down on my knees giving him head with his pants down and my top off. All of a sudden the light comes on and the house mother comes down the stairs and catches us. I was so embarrassed. She told me to go home and as I left I could hear her cussing him out. Then he left the frat because of me.

LETTERS FROM OUR READERS

Letters that should or shouldn't have been written, or at least sent to us!

SO YOU LIKE GIRLS

I live in a state college town and am regularly treated to a parade of gorgeous co-eds, and let me tell you that Sarah blows them all out of the water. I can just see her now as a sorority mother, teaching her girls how to keep their faces and figures in tip-top form to impress men of all ages throughout their lives.

Sarah's luxuriously long, blonde hair with brunette highlights drapes her face in one of those modern, layered cuts, accentuating her deep blue eyes and pouty, full lips, the kind of lips you'd want wrapped around your cock for hours. I'm a breast man through and through, and Sarah's plump D+ cups overflow with robust sexuality. With a lot of women beyond their mid-thirties I've noticed quite a bit of sagging in the chest area. Not Sarah. Despite their great mass, her tits still hold tight to her body, her nipples standing perfectly at attention beckoning an awaiting tongue. If only they were pierced! And can anyone say 'motorboat'? Ha.

Okay. I'll admit this also... I'm into the whole shaved bush thing. Come on guys — tell me you really enjoy getting a mouthful of pubes when you go down on your girl... Sarah's pristine shaved pussy is a work of art. Her pussy lips are perfect, so perfect that they call to me. "Zach, Zach. Come stick your cock in me. I want to pleasure you!" My images of her with a dildo drive me out of my fucking mind. And then there are ones of her diddling her clit?

Thanks again for allowing me to vent about Sarah. Maybe one day I'll have the balls to go up to her, but for now

she'll be my spank-fodder for weeks, maybe even months. My friends will probably even wonder why I stopped leaving the house!

COLLEGE CRAP

My name is Mike and I am 22 and I'm writing to you because I love older women and very much appreciate seeing them in magazines. I guess my love for older women started back in college when I had a huge crush on my economics professor. She was beautiful. She had blonde hair and big blue eyes. She stood about 5' 6" and had these breasts that were way too big for her size. I'd often stare at her boobs wishing I could put my face between them and inhale her smell.

When she'd turn her back to the class, all the guys would give each other the thumbs up with a little wink. They were all thinking the same thing as me. We'd pass around video clips on Ben's cell phone of a girl that looked a lot like her and she was having sex with another girl. This is what I learn in college.

AND GIRLS LIKE GIRLS

My girlfriend Daria and I have a weekly "girl's night" ritual where we get together for dinner, share a bottle of wine or two, talk about our lives, and recap the week's events. Our husbands are very ac-

commodating, usually grateful to have an evening to themselves. This week was no different, except that it had been a trying week for Daria. She'd found a pair of panties under the seat of Ron's car and was none too thrilled about it. They'd be fighting non-stop, and tonight Daria spent most of the first part of the evening crying and trying to figure out what to do.

After dinner and bottle and a half of chardonnay, Daria and I sat on the couch idly flipping channels, the wine and food having taken the edge off Daria's heart pain. *Sex and The City*, one of our usual favorites, had only seemed to make her feel worse, and frankly neither of us were

in the mood for television at that point. Daria tossed the remote onto the coffee table and flopped her head down into my lap. As she curled up I stroked her hair comfortingly. "You're such a good friend," she said. "Sometimes I wish I could trade Bill for you, only you're missing a major appendage." I laughed as Daria nestled in tighter, and contentedly I leaned my head back on the couch.

I was halfway to a nice wine coma when I felt a light touch on my inner thigh. My head snapped forward and I looked down to see Daria's hand caressing me. I assumed that she was being absent-minded, also in moderate haze. Her touch actually felt kind of nice. I lay my head back down and began to drift again. Then Daria's hand moved higher up my thigh, and I knew that she was more alert than she let on. Maybe it was all those episodes of *The L Word* that we'd watched together or those occasional times when we'd watch one of my husband's pornos. But whatever the case I'd become curious about having a lesbian encounter for a while now and waited to see what Daria's agenda was. I began to stroke her head more firmly, and she responded by doing the same to my thigh, all the while getting closer and closer to my rapidly moistening pussy.

Then it happened. Daria looked up at me as if to ask permission as she slid her hand underneath my shorts and went for it, her fingertips running gently over my panties and my pussy lips. I smiled at her and shifted my legs to facilitate her explorations, my wetness readily apparent. Daria dropped a hand to her own crotch and began to mirror her hand motions as the hand focused on me slipped beneath my panties, found my clit, and massaged it in circular motions. I grunted approvingly and reached a hand under her shirt and discovered her bra was a front-clasp. I popped it open and started fondling her breasts, squeezing and kneading them and teasing her erect nipples. "It's about time we did this," said Daria breathlessly, clearly enjoying our combined touch.

"Take my shorts off," I said. Daria wasted no time in undoing and removing my shorts and panties, upon completion burying her face in my pussy. I grabbed the back of her head and pushed her deeper into my crotch, her tongue darting in and out and around my snatch. As she sucked on my clit I rolled my hips to match her motions. On the verge of cumming I let out a moan. Daria responded by additionally stuffing two fingers up my pussy. That did it! I let go and erupted, my hips bucking wildly. Daria's tongue kept on lapping and she moaned too. As I began to settle down, our eyes met and we shared a sultry kiss, the taste of my pussy on Daria's full and pouty lips.

The rest of the evening was filled with blissful exploration. Naturally, I returned the favor, making Daria come more than a few times. We cleaned up and Daria left before my husband came home. I had a feeling girl's night was going to get a whole lot better!

turn to pay for my ticket, my credit card got declined. Embarrassed, I fumbled through my wallet for some cash but as luck would have it I didn't have any. At that moment the guy stepped up to the counter and told the clerk to make that two as he handed over his card. I was grateful to have the awkwardness ended, so I graciously accepted his advance. He got us some popcorn and some soda and we headed into the theater.

As we took our seats in the back of the near-empty house, I was nervous as we talked while waiting for the movie to begin. It turned out that we liked a lot of the same movies and also some of the same music. Soon his jokes and his charming demeanor put me at ease and I relaxed. Then the movie started.

While the movie was playing I'd see him occasionally glancing at me out of the corner of my eye. It was pretty apparent that he was into me, and I was digging him too. About halfway through the movie I blindly reached over for the popcorn bucket in his lap and missed, spilling the popcorn everywhere. Embarrassed again, I reached over to help him clean up the popcorn. To my surprise he had a raging hard-on tenting up his jeans. I looked at him and he smiled invitingly.

I don't know what came over me, but instead of moving to clean up the popcorn my hand made a beeline to his member. I started stroking him through his jeans, and he put his hand on my back and began to massage me firmly. Growing even more bold I unbuttoned his jeans and unzipped his fly. His rock hard cock jumped out through the hole in his boxers. I wasted no time in filling my eager hand with its thickness, deftly working my hand up and down his shaft and up over the tip. His hand was now in hair caressing my scalp.

My god, was this hot! I glanced out into the theater – the few in the audience were focused on the film. I popped out of my seat, dropped to my knees, and bent

down to take him into my mouth. My head bobbed up and down as I sucked his cock with intensity, running my tongue and lips over every inch of it. Then I sucked just the tip as I pumped his shaft with my hand. That did it for him and he let out a stifled moan, filling my mouth with his hot cum. I swallowed it all! Then I got back

went to my bank to check on my credit card. I tried it there and it worked fine. Clearly it was declined for a purpose, and so far that purpose has proven to be extremely pleasurable. I hope things work out with HIM. If not, at least I got a good story out of it.

in my seat while he put himself away. He put his arm around me and we finished watching the movie, popcorn still scattered everywhere.

After the movie we went back to his place and fucked our brains out. I woke up in his arms and that felt really good. After coffee, I
